Is the \$750K you want her to set aside for taxes included in the \$2M going to Schwab, or will it be in her checking along with the \$600K??

DO NOT FORWARD THIS MESSAGE...CALL ME WITH ANY QUESTIONS!!

These are the following items for now...

1) Canadian Tax bill of approximately \$40,000...you have the info.

2) Repay the LOC @ NT for their \$50k per month for:  
6-9-05 &  
7-7-05 = \$100k

3) Repay the LOC @ NT for the wires to Ellen:  
9-16-05 - \$15,000  
9-29-05 - \$2,000  
12-21-05 - \$17,396 = \$34,396

REPAY the LOC --  
because it  
belonged to Little  
Isle 4 -- not Nolan  
personally...

\*\*Number 2 & 3 can be sent together with the NT instrx.

4) They need to repay the funds she borrowed from the Wild Boar Checking  
account @ Wells Fargo. I believe it was \$50,000.

5) They need to send \$100,000 to Baja Development Company for the Cabo project with the following instrx...

Baja wire instructions:  
TD Banknorth, NA  
ABA 021201503

Baja Development Corp.  
Account # 3981345276  
2 Dogwood Drive, Danbury, Ct. 06811

Jowdy stole \$100k funds instead of depositing  
them into the Diamante Cabo acct -- See BDC  
Aug 2006 stmt-PKHOME-00016841

6) They need to wire \$62,500 to Standard Advisors for Q3-05 thru Q3-06 (5 quarters).  
Wells Fargo Bank, Los Angeles, CA  
ABA 121000248  
Credit Account #1251501100  
Account Name: Standard Advisors

\$750,000 set aside for Canadian taxes  
although Nolan's wife spent those funds  
as well before the 2008 IRS bill arrived

7) They are going to need another \$750,000 to pay to Revenue Canada OR the IRS as soon as we get them together with Dave Weiss to handle  
last year's taxes as well as the APPROXIMATE payment from the GROSS \$5m (NET \$3.75m) check settlement check they just rec'd from  
Toronto.

8) They should wire \$2m to their Schwab account until they figure out what other bills they have to pay.

This should leave them with approximately \$600,000 in their checking  
account. I hope that is enough. Let me know what happens. PK
